

Government Officers' Association /Prospect Discount Scheme

Most discounts are available by advising the relevant business you wish to use discount before you buy, and on production of a Prospect membership card. If you do not have a card, you can email us on prospect@manx.net to request a new card.

Most discounts do not apply where items/services are on sale or special offer already, but it's worth checking.

Please contact us if you have any leads for new discounts for the scheme - we are always seeking new discounts to enhance our scheme.

All members of Prospect can take advantage of the discount scheme.
